# ENVIRO-CLEAN DEGREASER CLEANER™ #40-40

## APPLICATIONS INSTRUCTIONS

**Normal Cleaning** - Spray on, let stand 1 to 3 minutes, agitate severe spots. A thorough rinse should follow. [1 part to 10 to 20 parts water]

Suggested Uses: Flush shop floors and walls, bilges, exhaust stack smoke, rubber clothing, oil-soaked ground and beach sand, mold, mildew, algae, water lime scum, vinyl, decks, teakwood, exterior mobile home maintenance, air conditioner filters, shower stalls, coolant systems, bathtubs, sinks, carpeting.

**Heavy Cleaning** - Spray on, let stand 1 to 3 minutes, agitate severe spots. A thorough rinse should follow. [1 part to 5 to 10 parts water]

Suggested Uses: Ramps, decks, platforms, engine rooms, automatic transmission parts and valve bodies, camshaft and crank shellac, bulkheads, galleys, oil-stained concrete, degas

tank and barge compartments, wax stripper, fireplace carbon and soot, petroleum based drilling muds, creosote.

**Extra Heavy Cleaning** - Scrape extreme conditions, if possible. Spray on, let stand 3 to 5 minutes, agitate severe spots. A thorough rinse should follow. [1 part to 1 to 5 parts water]

Suggested Uses: Holding tanks, engines, carbon on engine heads, cosmoline, bunker C, No. 6 crude, grease traps.

**Steam Cleaning or Pressure Washing** - A pre-mixed solution of 1 to 5 to 20 can be drawn from auxiliary tube or put directly into mixing tank giving up to 1 to 200 dilution at nozzle.

Suggested Uses: Steam cleaning, hot or cold pressure wash.

**Safety:** Safe storage, handling and use dictate that adequate health and safety precautions be observed with this product and any recommended thinners. User is specifically directed to consult Material Safety Data Sheet for this product as well as precautions contained on product labeling.

**Notice:** The technical data contained herein are true and accurate to the best of our knowledge . All products are offered and sold subject to Envirosafe Manufacturing Corporations Standard Conditions of Sale. Published technical data and instructions are subject to change without prior notice.
